

\*Paper reading logs are for earning beads only. If you would like to track your minutes for a chance to qualify as one of Somerset's top ten readers, you must make an account at [www.beanstack.com](http://www.beanstack.com) and track your minutes there.

Bring in this completed sheet for an additional raffle ticket for our toy raffle.

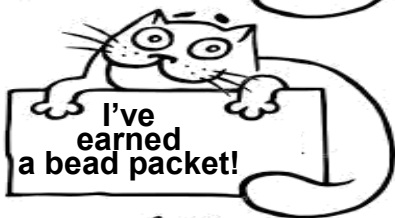

(5 hours reading= extra raffle ticket)

Please color in an animal for every 15 minutes of reading. When you have colored four animals in a row, color in the cat to earn an extra special bead for completing a full hour of reading. Readers can collect a bead packet for every completed hour. Packets consist of four regular beads (one for every 15 minutes of reading) and one special hour bead. You do not have to complete an entire sheet before collecting a bead packet.
