EBOOKS, MAGAZINES, AUDIOBOOKS, VIDEOS AND MORE

Downloadable to your mobile device or computer, the library offers several sources for free digital resources. As always an up-to-date library card is required to access these resources. While creating your account, the system asks you for your pin number, it is usually the last four digits of your phone number.

Tumblebooks: Interactive books with audio.

The screenshot shows the TumbleBook Library website. At the top, there is a search bar labeled "TUMBLESEARCH" with a "Keyword" input field and a play button. To the right of the search bar is a cartoon book character and the "TumbleBook Library" logo. Further right is the "Somerset Public Library" logo and a "CHOOSE: English" dropdown menu. Below the search bar is a navigation bar with links: "home", "index", "favorites", "playlist", "my cloud", "help", and "contact us". The main content area features a central cartoon book character surrounded by ten category buttons: "Story Books", "Chapter Books", "Videos", "Featured", "Math Stories", "Graphic Novels", "Puzzles & Games", "Language Learning", "Non Fiction Books", and "Playlists". On the right side, there is a featured book preview for "Once Upon A Balloon" by Eve Gibb and Linda Ward Beech, with a synopsis: "Theo is brokenhearted when he accidentally lets go of the string of his party balloon. As he watches it float out of sight, Theo wonders where his balloon might have gone. A unique story filled with the magic and whimsy of childhood imagination." At the bottom of the featured book preview are four small icons of the cartoon book character.

By creating an account you can devise a story time playlist. Some books are enhanced.

ABC Letters in the Library

This lovingly written, playfully illustrated book introduces children to both the alphabet and the library, through wonderfully descriptive, alliterative language. ABC Letters in the Library puts a fresh new spin on the traditional ABC lesson, and is an ideal tool for teachers & librarians. It's ABC's for Bookworms-to-Be.

 Brothers Grimm: Favorite Tales → The Tales

 Favorite

The Brothers Grimm anthology contains a stunning array of interpretations and images of the most beloved Grimm Brothers fairy tales. From the golden age of illustration to pedagogical approaches to storytelling at the turn of the century, each delightful adaptation offers a way to rekindle that ever present spark of innocence left over from youth, the one that lies dormant, but springs to life when we read a good story, watch a great film, or experience the beauty of art. The anthology, with over 65 texts and images, is at once a splendid array of some of the world's greatest fairy tales and stories. Artfully told and beautifully illustrated, these genuine Grimm Brothers fairy tales remain a vital source of interest and amusement for young and old alike.

Explore the Fairy Tales, Household and Goblin Stories of the Brothers Grimm with this extensive collection of illustrated tales.
